## ■ YOUR KEY BENEFITS

Skrivanek's unique feature and one of its greatest advantages is its branch structure. Our network of physical branch offices throughout the world offers several benefits:

- In-country staff from the USA to Bulgaria ensure local vendor management and quality assurance. Through our local networks we have immediate access to the best linguists and subject matter experts for each and every specialization.
- All details are coordinated by a Project Manager in our International Project Management Center in the Czech Republic, and this is your single point of contact at Skrivanek.
- The lower labor costs and high educational standards associated with the region enable us to offer high quality at very competitive prices.

## ■ CUTTING EDGE TECHNOLOGY

Proficient in the most advanced language technologies, Skrivanek offers you the finest tools available. In an industry that is constantly changing, we work hard to ensure that you benefit from our in-depth knowledge of a wide range of translation management systems, translation memory tools, quality assurance tools, graphics software, and any software platforms, programs and applications your job requires.

## ■ FULL RANGE OF SERVICES
