

## COMPANY PROFILE

# Engineering Efficient Environments

Specialists in the Electrical, Noise, and Vibration control sectors, dedicated to making environments smarter and more efficient.

A partnership of:

ist-quadtek

MANUFACTURING FACILITY

---

KSM MAIN PRODUCT

---

Established in 1983,  
KSM Group has since evolved  
from a humble electrical  
company to trusted distributor  
and partner to some of the  
world's biggest brands.

In just three decades, we have successfully carved out a comfortable niche in the electrical protection & control and acoustic & noise control industries.

In addition to distributing a series of products from these partners, we also design and manufacture our Phoenix range of in-house noise control equipment through our design and manufacturing arm, VTR, and provide comprehensive consultation services in acoustics and noise control for small to mid-sized businesses.

## OUR GROUP

Design and manufacturing arm for in-house brand of full-range, ready-to-implement noise control equipment, Phoenix.

The first local manufacturer of top quality blowdown silencers in Malaysia.

**A PIONEER  
IN THE LOCAL  
NOISE &  
VIBRATION  
CONTROL  
INDUSTRY.**

First Malaysian noise control plant to achieve ISO 9001 recognition in 2000, a global standard for quality management systems.

First testing lab in Malaysia for air distribution system silencers based on BS4718:1971.

### **A FULL RANGE OF READY-TO-IMPLEMENT NOISE & VIBRATION CONTROL EQUIPMENT**

designed and manufactured by VTR. Phoenix products have made a mark on industries such as oil and gas, maritime, and education.

**KSM OIL & GAS** specialises in providing a full range of electrical and noise control solutions for companies in the oil and gas industry.

## OUR VALUES

### Make ideas reality

We are always ready to imagine, to innovate, and take the initiative to undertake new projects.

### Challenge our limits

We seek to push the envelope in all aspects, and believe that with the right mind-set, anything is possible.

### Do things right

We put thought into everything we do or say, following set procedures to ensure that we exceed expectations every time.

## WHAT DEFINES US

### The KSM Distinction

We are experts in electrical protection & control and acoustic & noise control, providing invaluable technical solutions to companies that aspire toward safer, more reliable, and more efficient environments.

### Our team

Passionate about their craft, our team makes it their life's work to champion and pursue progress in their chosen fields.

To ensure that they always have the world's best resources available, we regularly send our team abroad for educational and training opportunities.

Much of our success in this short span of time can be attributed to our trusted partners and collaborators.

It is through these rewarding partnerships that we continue to create value for our customers while reaching new heights in our own endeavours.

A partnership of:

**ist-quadtek**

## GE Digital Energy Multilin

A series of protection and control devices to ensure reliable and safe power for critical assets.

## SILVENT Air Nozzle

Advanced air nozzle technology that promotes noise reduction, safety, and energy conservation.

## Mirion Technologies IST Imaging System

A range of imaging and integrated imaging & temperature measurement products that improve and increase efficiency through process automation.

## TSI Precision Measurement Instruments

Quality performance measurement and precision instruments, especially for fluid mechanics and particle diagnostic measurement systems.

## Electrical Protection & Control

- Product training
- Testing and commissioning
- Equipment troubleshooting and maintenance
- Retrofitting
- After sales and service support

## Industrial Noise & Vibration Control

- Design and manufacture
- Application and installation
- Noise studies and simulation
- Technical service and support

## Commercial Acoustics & Noise Control

- Comprehensive consultation service

# What we can do & have done

LAFARGE - CEMENT PLANT

GAMUDA SMART TUNNEL -  
STORM DRAINAGE & ROAD STRUCTURE

1 MONT KIARA - NEIGHBOURHOOD MALL

PETRONAS / CARIGALI HESS - OFF-SHORE OIL RIG

LINDE -  
GAS PROCESSING PLANT

MRT TAIWAN -  
RAIL TRANSPORTATION

KLIA AIRPORT

## OUR CLIENTELE & PAST PROJECTS

**We have built up an illustrious portfolio over the years,**

having worked with global brands such as **Petronas, Shell, and Linde** - the world's largest industrial gas company. In addition, we also provided tailored technical solutions for the construction of the **Kuala Lumpur International Airport** and the **SMART Motorway Tunnel**. Within the region, we have worked on numerous **MRT projects in Taiwan**, as well as projects in **Singapore and Brunei**, among others.

Petronas  
Shell

Kerteh,  
Terengganu  
RAPID, Johor

KLIA

Linde  
Talin  
Powerstation

MRT Taiwan  
MRT Malaysia

SMART  
Tunnel

Lafarge  
Antara Steel

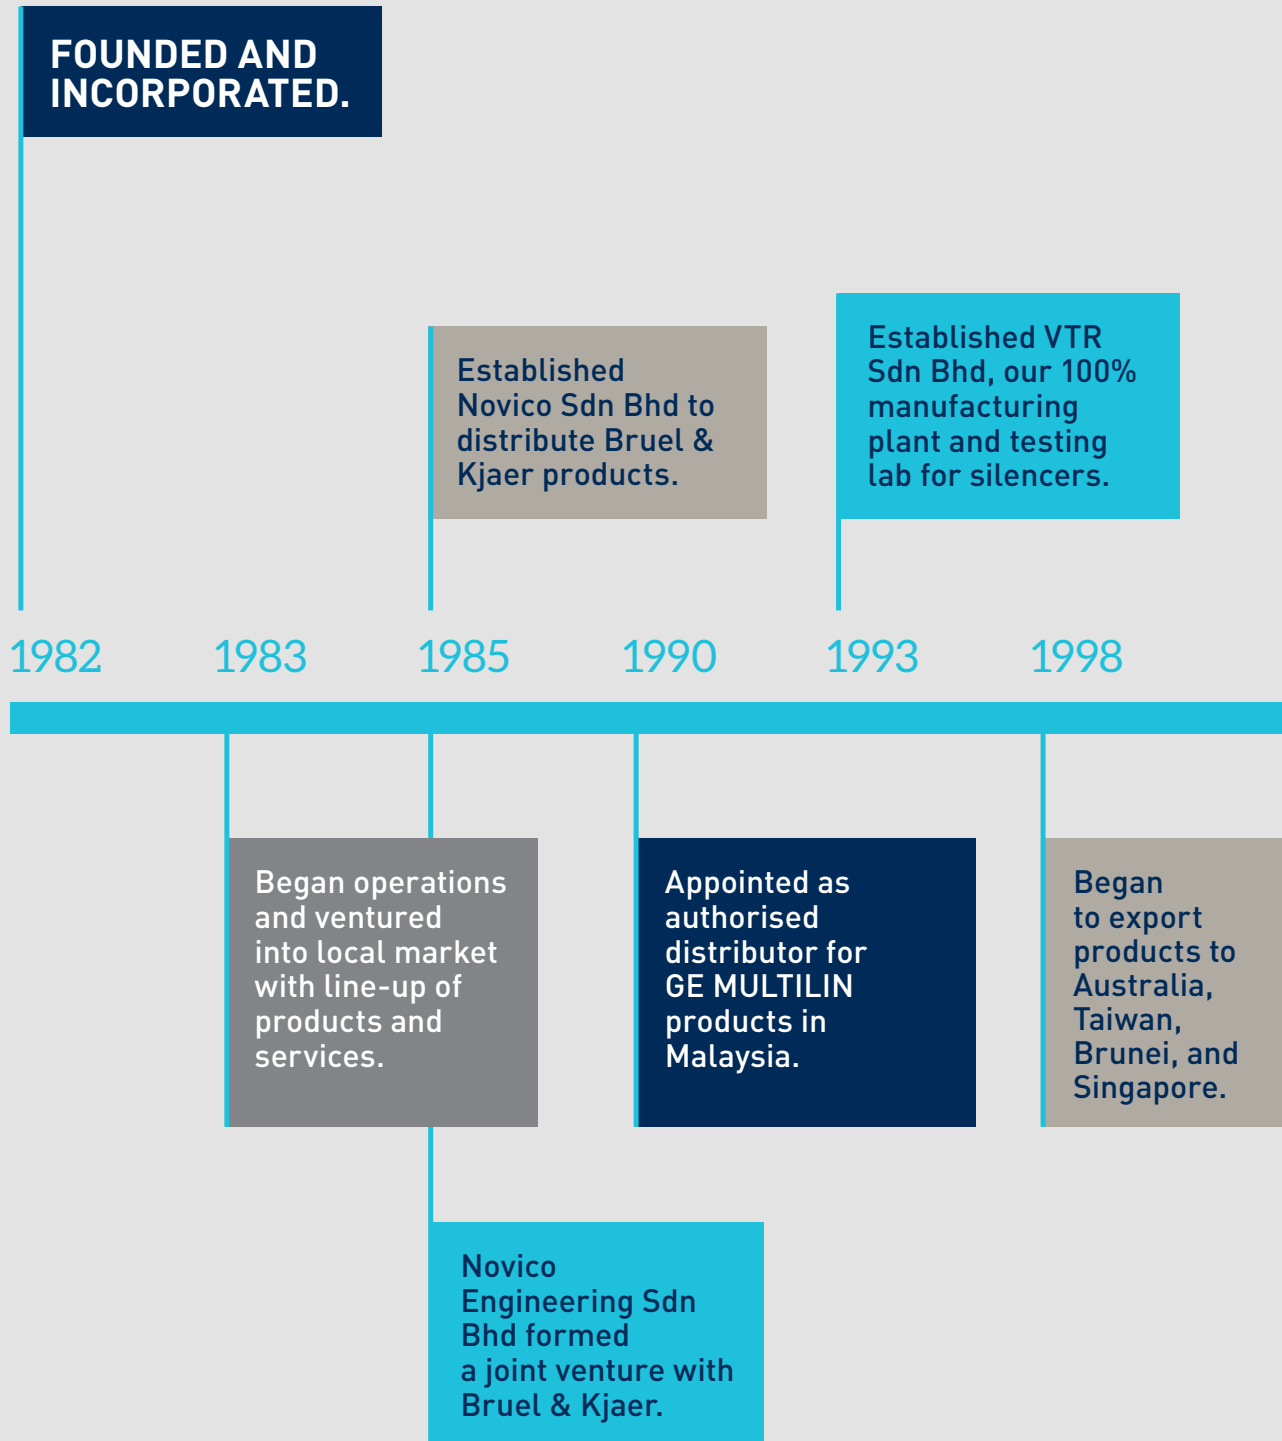

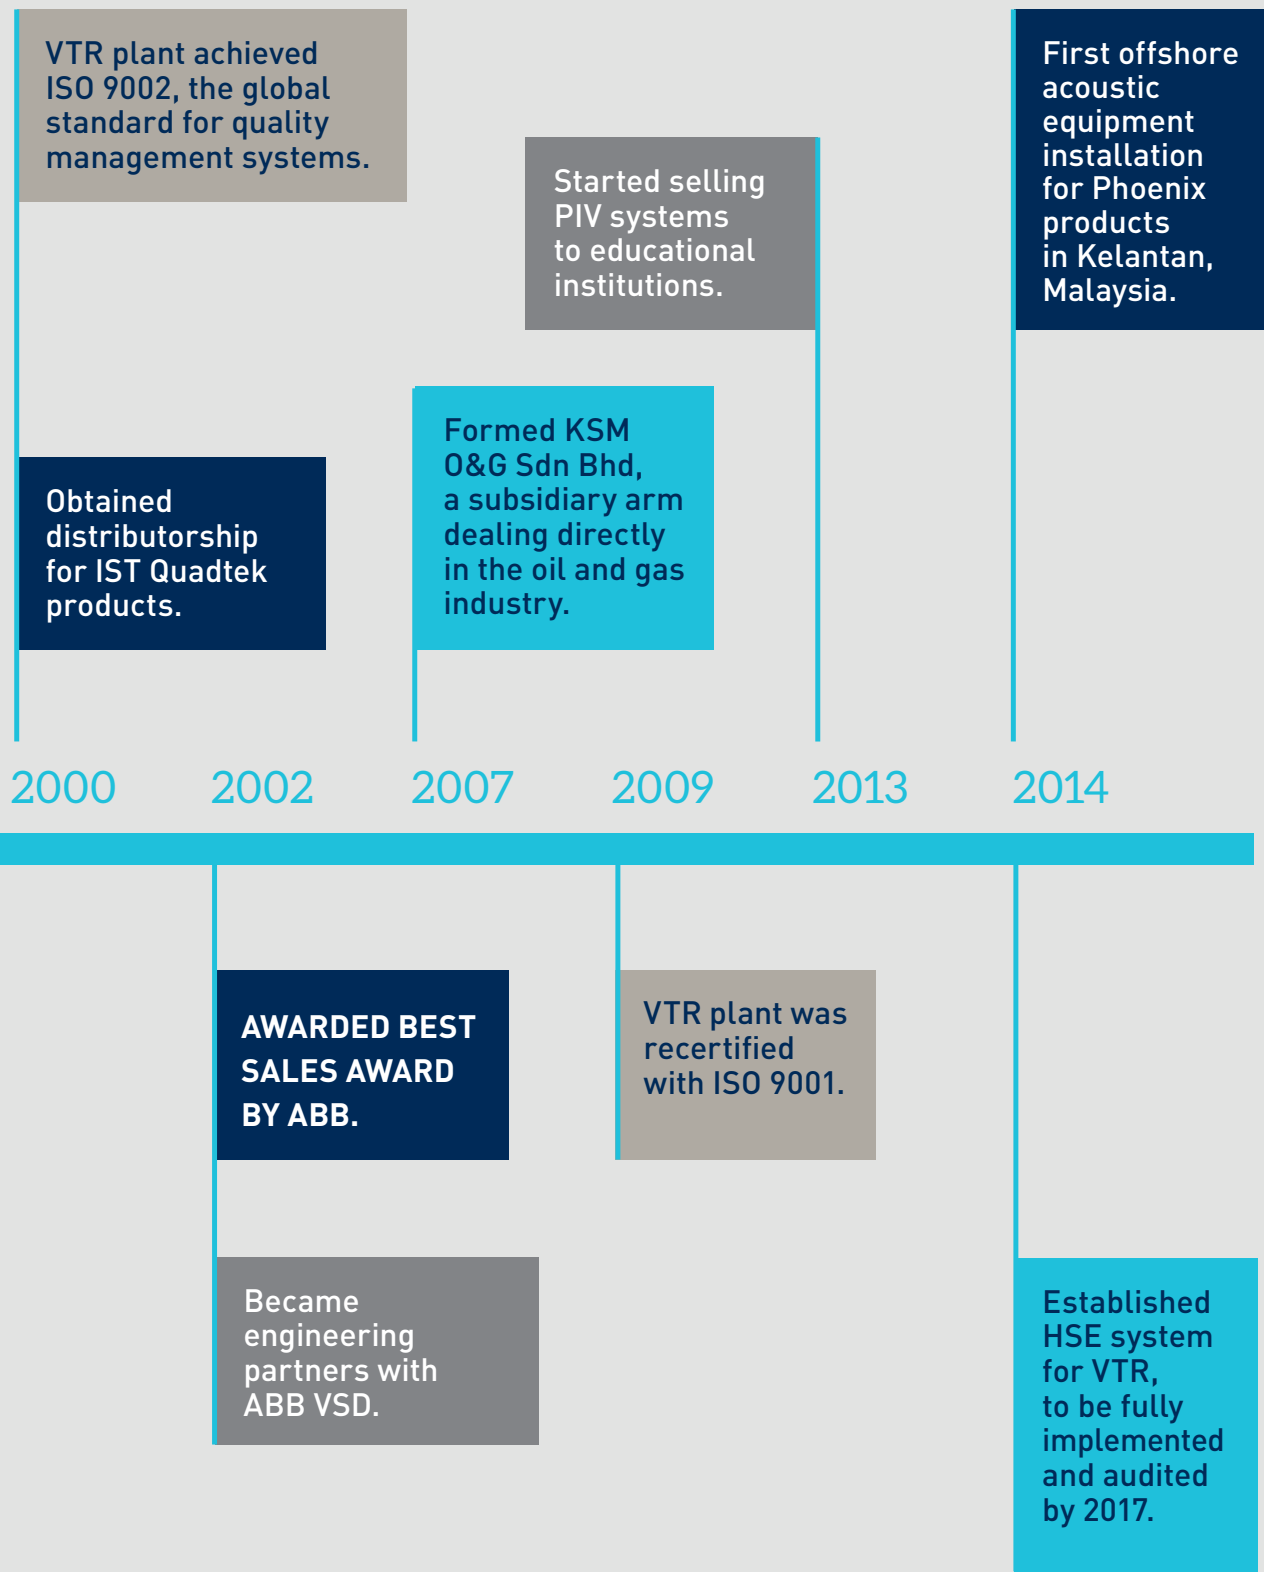

1 Mont Kiara  
Shopping Mall

Rocku  
Yakiniku  
Restaurant
